IMMEDIATE RELEASE

Singapore - 22 August 2016

## Chan Brothers Japan Travel Centre Opening Sale

Chan Brothers Travel is pleased to announce the launch of its Japan Travel Centre, offering travellers the convenience of a one-stop shop to check out top destinations in the land of the rising sun from Japan travel specialists. The launch is marked by a 3-day Opening Sale from Friday to Sunday, 26 - 28 August at Chan Brothers Travel Powerhouse, South Bridge Road, Fook Hai Building Level 1.

Japan has always been one of the top destinations for Singaporean travellers and has seen a year-on-year growth of 20 percent increase in the first half of 2016. While Japanese Yen is gradually strengthening, it is still relatively low as compared to its heyday. The significant drop in fuel surcharges as compared to before is also a boon for prospective travellers.

With carefully curated programmes moulded to perfection by the tens of thousands of Singaporeans who choose to travel with travel agency every year, Chan Brothers Travel Japan itineraries charm with the guarantee of authenticity of meals, one-of-a-kind immersions, well-located or specialty accommodation and quality hot spring experiences. Nothing screams personalisation more than the diverse range of programmes featuring bed and breakfasts, home stays, city breaks, heritage voyages, hot spring retreats, rail holidays, resort getaways, self-drive journeys, shopping sprees, ski vacations and more.

Signature and thematic Japan tours featured at Japan Travel Centre Opening Sale include:
